

## SONG AGAINST BULLYING

I'm here to give you a note  
and it is not a joke  
A worldwide declaration  
(Bullism)  
that is a world question  
A hell of confusion  
Try to clear it out  
this global shock  
the Almighty God is looking at  
who suffers can only pray all the day.  
The web is like the sea  
where you drown if you can't swim.

Bully don't hurt  
Who can't repeat  
To all this pain.                      refrain  
Let us try to create  
a better world and not hate.

Dear bullied friend  
go to the Police  
and report this offence  
Because? Because?  
The Bully is misery  
the cause of agony  
the shark of the sea.  
It is a pity that suddenly one day you might  
not see the Shark swimming in the sea.

Refrain.
