

EUROPEAN SCHOOLS STAND AGAINST BULLYING

Minutes of the meeting,

09.11.2020/08:00 pm/zoomID704-315-5197

1. Situations at schools/countries
2. Discussion about carrying out project activities
3. Precautions to make the project alive

➤ Partners talked about the situation related to Covid 19 in their own countries and the preparations for the project in their own schools.

➤ **Sing No to bullies**

The partners are going on uploading their songs to the social media platforms of the project.

➤ **What would you do ?- a book with scenarios and solutions- BULLYING AWARENESS BOOK**

The partners will work on scenarios for the book at the school level. The language should be English to disseminate it. But partners can enhance them in their own language. The scenarios should contain problems and their solutions. We can give voice to the stories on the tool called Story Jumper

Conclusions:

- The partners are going to meet on line again in January.
- Each partner will try to gather the target teams at the school circumstances and make them work to try to make the project alive in their minds.
- Romanian partner is working on online evaluation so when it's ready, it will be applied to pupils and teachers.
- We should make our students contact with each other, motivate them to meet up and involve them in project activities. We can involve them to the project twinspace as members.
- The project schedule and project website were checked. The minutes of the meetings will be added as a section to the project website.
- The project will be carried out according to the conditions in each country at national and international level. But especially Italian partner declared that they need time to carry out the project activities.
- Partners can arrange online activities to carry out the project activities.
